北京市花木有限公司是以花卉苗木科研、生产、经营和园林景观工程设计、施工为主业的国有全资企业，拥有城市园林绿化壹级资质，是“全国十佳花木种植企业”和“北京市农业产业化重点龙头企业”。公司成立于1956年，具有深厚的历史积淀，2004年从北京市园林局转企至北京城建集团。

公司秉承“运行高效、协同发展”的经营方针，下设科研、生产、绿化施工等6个全资子公司，同时配套有工程总承包部、机电、养护、园艺中心等事业部，专业分工细致、技术集成能力强。公司所属苗圃和基地占地近5700亩，温室60000平方米。

在花卉业务板块，公司自1986年以来一直承担着国庆天安门广场、长安街等重大节日花卉布置任务，持续引进、选育新优品种，开展精准设施园艺技术研

究，致力于发展和推广高效、节能、低碳绿色生产技术，多次代表北京市参加各类国际花卉展览和比赛，屡获殊荣。三十年间不断推陈出新、精益求精，打造了“广场摆花”这一首都城市名片，培养了一支技术精湛、作风过硬、团结高效的学习创新型团队，是国内领先的全产业链花卉企业。

在园林景观业务板块，公司以工程质量和规范化管理为核心，积极参与市场竞争，业务范围辐射全国。项目涵盖大型综合性园林景观、公园建设、道路绿化、房地产园林、湿地公园、展会造园、屋顶花园、平原造林等各个专业方向，多次荣获国家和省部级精品工程奖。

公司将笃守“创新为魂、成就客户、以人为本、和谐共享”的发展理念，发挥综合优势，竭诚为客户提供“全面、高质、诚信、科学”的服务。

Beijing Florascape Co., Ltd. (BJFC) is a state-owned enterprise founded in 1956, and it is one of the earliest companies in floriculture and landscaping business in China.

“Operating efficiently and progress together” is the company’s operating concept. BJFC has 6 secondary companies which are specializing in researching, producing and landscaping. We also have professional divisions which focus on Engineering Procurement Construction, Maintenance, Electromechanical and Garden Center operation. The company-owned nurseries and greenhouses cover an area of nearly 380 ha and 6 ha, respectively.

Since 1986, We have become the only authorized designer and constructor of the Tiananmen Square. Based on 30 years’ experience on developing various large landscaping projects, now we are highly expertized on plants research, production, landscaping design, and construction. We make our presences on behalf of Beijing

in many international flower exhibitions and competitions, and gained a series of awards. BJFC is continuously introducing and breeding new varieties. We are also working on advanced facilities horticultural technologies, and devoting to achieve our production goal of “efficiency, precision and green”.

Top quality and standardized management is our core competencies. We actively participate in market competition and our landscaping projects are dispersed all over the nation. We have gained a series of awards through different types of landscaping projects, such as comprehensive landscape project, road planting, residential area planting, wetland Park, and roof garden.

Beijing Florascape Co., Ltd. is one of the leading factors of horticultural industry in today’s Chinese market, and we are also providing the full service for our customers. We are honored to bring you the top-quality products with top-quality services.

1956年 10月

经北京市园林局批准，北京市花木公司正式成立。

Beijing Municipal Bureau of Landscape And Forestry approved the official establishment of Beijing Florascope Co.

1980年 01月

花卉管理处再次改名为“北京市花木公司”。

The office was renamed back to "Beijing Florascope Co.," (BJFC)

1960年 03月18日

北京市园林局决定将北京市花木公司改名为北京市园林局花卉管理处。

Beijing Florascope Co., rename to flowers management office under the Beijing Municipal Bureau of Landscape And Forestry.

07月23日

朱德委员长来到花卉管理处视察。

Chairman Zhu De visited the management office in person.

1983年

承接了新建长城饭店的绿化美化工程，这也是公司首次承接绿化工程。

BJFC undertook the landscaping program of the Great Wall Sheraton Hotel. It was the first time that our company had undertaken the landscaping project.

1990年

参与全市迎接第十一届亚运会花卉布置。

Participated in flowers arrangement at the approach of the 11th Asian Games.

1998年

承接了王府饭店停车楼屋顶花园设计和施工，这也是北京市第一个真正意义上的屋顶花园。

2001年天坛公园东北外坛拆迁还绿工程

2001 Project of greening by demolition of Northeast altar at the Temple of Heaven Park

1998年

王府停车楼屋顶花园

Project of building a garden at the roof of the Wangfu parking garage

王府停车楼是北京第一个真正意义上的屋顶花园，在停车楼顶部进行了乔木、灌木、草坪地被与硬质铺装、喷泉喷灌的结合，形成了良好的景观，为北京后续屋顶花园的设计与施工提供了经验。

Wangfu parking building is Beijing's first real sense of rooftop garden. At the top of the parking building, trees, shrubs and lawns are formed in combination with hard pavement and fountain sprinkling irrigation, thereby forming a beautiful landscape and setting the role for the follow-up design and construction of rooftop gardens in Beijing.

2001年

天坛公园东北外坛拆迁还绿工程

Project of greening by demolition of Northeast altar at the Temple of Heaven Park

2001 年为配合天坛公园申请世界物质文化遗产，公司办公及生产用地外迁，同时展开绿地景观恢复施工，历时仅 1 个月就完成了东北外坛的还绿工作，时任市长刘淇同志给予了高度评价。

In 2001, in the light of the application of the Temple of Heaven Park for the world's tangible cultural heritage, the business office and manufacturing site were relocated while a series of greening construction items were restored. The whole process lasted for only one month. The successful completion of this project was highly appraised by the then mayor of Beijing Mr. Liu Qi.

2003年

颐和园耕织图景区环境整治工程

Project of environmental overhaul of the Farming and Weaving Scenic Area in the Summer Palace

2003年在颐和园西区原有设施和居民区外迁的基础上，进行了耕织图景区环境整治工程，恢复了景区的历史风貌。此项目被列为2003年度北京市政府为百姓做的60件实事之一。

Apart from relocation of the existing facilities and residential areas in the western region of the Summer Palace, we engaged in environmental overhaul of the Farming and Weaving Scenic Area. Our great efforts eventually resulted in the restoration of the original historical features of the scenic area. Thankfully, this project was listed as one of 60 practical works that were done in 2003 by Beijing Municipal Government for the general public.

2003年

右安街心花园园林景观新技术示范工程

New technology demonstration project for garden landscape at You'an street garden

右安街心花园即商务会馆东侧绿地工程，定位为半开放式街头精品绿地，以新优品种植物展示为基调进行绿化工作，与南二环路周边景观融为一体，同时为周围商务人士及附近居民提供悠闲舒适的休憩场所。

You'an street garden refers to the Greenland project at the east of the business club, founds itself as a semi-open street boutique Greenland, and is afforested with the keynote of plants demonstration of new, fine varieties. The street garden is planned to integrate with the surroundings of S. 2nd Ring Road while creating an ideal place to rest.

2007年

国家体育场园林景观工程

Landscaping Project for Beijing National Stadium

国家体育场作为北京 2008 年奥运会的主场馆，公司配合设计单位对景观设计方案进行调整并最终得到实施，在奥运期间获得了良好的景观效果和社会效益。

The National Stadium is the main stadium for the Beijing 2008 Olympic Games. We, Beijing Florascape Co., Ltd., worked together with the responsible design institution to make proper adjustments to the landscape design solution. Such a design solution was finally implemented with a sound landscaping effect and social benefits during the holding of the Olympic Games.

2011年

西安世界园艺博览会公共区域布置工程

Public Area Landscaping Project at 2011 Xi'an International Horticultural Exposition

2011年西安世界园艺博览会公共区域布置工程包括长安花谷、创意馆周边、广运门周边、外广场等。

其中长安花谷是本届园艺博览会的入口主轴线和标志性景观，具有极强的艺术效果。工程以“流动的花园”为主题，展示了西安作为世界之都和丝绸之路起点的国际形象。

This project covers Chang'an Flower Valley, surroundings of Creativity Pavilion and Guangyun Entrance, and outer square.

Chang'an Valley is the main axis of entrance to the Horticultural Exposition and is regarded as an iconic landscape because of its strong artistic charm. The project, with the theme of "floating gardens", demonstrates the international image of Xi'an as the Capital of the World and the starting point of the Silk Road.

2013年

第九届园博会锦绣谷绿化景观工程

Jinxiu Valley landscaping project for the 9th China International Garden Exposition

万花锦绣谷是第九届中国（北京）国际园林博览会园区标志性景观之一，原为建筑垃圾填埋场，运用因势就形造园手法，坚持生态修复环保理念，将其改造为下沉式景观花园，既体现传统的“燕京八景”精髓，又突出北京园林的新发展与新成就，打造出体现国际园林、园艺水平的精品植物景观，成为北京园博会“化腐朽为神奇”的扛鼎力作。

Jinxiu Valley is one of the iconic landmarks at the 9th China (Beijing) International Garden Expo. Its predecessor is a landfill. The designer employs a gardening design scheme based on local conditions and adheres to the environmental protection philosophy of ecological restoration to transform it into a sunken-type landscaping garden, which not only embodies the essence of "Yanjing Eight" but also highlights new developments and achievements of Beijing gardens. The designer also aims to forge a boutique plant landscape with international gardening and horticultural levels and to make this expo become the masterpiece in turning the landfill into a beautiful landscape.
